

EDOC Conference Sailing Event 28.8.2011

The EDOC Sailing Event is a sailing course intended for participants in the EDOC 2011 Conference.

You don't need any earlier experience to take part in this sailing event.

In our courses we use 606 keelboats that are safe and easy to handle. In every boat there is one instructor and 2-3 students.

We learn the basics in sailing both in theory and in practice. Knots, maneuvers, trimming and racing are all included in this quick course.

The sailing event is arranged at Sunday 10am-5pm.

Lunch is included in the entrance fee.

Price: 150 EUR/person

The Event is held at Brändö Seglare Yacht Club at Kulosaari, Granfeltintie 10.

All equipment needed from the sailing school (lifejackets, foul weather gear, boots).

If you want to take part in the Sailing event or if you have any questions regarding the event, please contact Burn Out City Events, see contact details below.
